

Some nouns and adjectives can be made into verbs by adding a suffix. Be careful if the word ends in e or y; you will have to take these letters out.

Add **ISE** or **ATE** to change these nouns into verbs:

- 1. hospital _____
- 2. pollen _____
- 3. terror _____
- 4. liquid _____

Put these nouns and verbs into the sentences below:

apology

fright

material

apologise

frightened

materialise

- 5. Dan had to _____ after he was rude. His teacher accepted his _____.
- 6. Sarah had a _____ when she slipped on the cliff, but she reached the bottom safely and had no need to be _____.
- 7. Jill bought some expensive _____ to make a dress with.
- 8. Tom stared unbelievably as the ghost seemed to _____ out of nowhere.

Write sentences using these pairs of words. (They do not both have to be in the same sentence.)
