

---

*Gifted Hands* by Ben Carson

The following questions should be answered in paragraph form using well-developed compound sentences that reflect critical thinking.

1. List below several challenges faced by Dr. Carson from childhood and even in his early residency and practice as a doctor. Use specific examples from his story – as he told it.
2. What role did Ben's mother play in his development and education? Give examples from the story to prove your points.
3. Give evidence from the story that proves Carson's deep faith in God and his desire to LIVE out his FAITH.
