CREATIVE INTERNATIONAL SCHOOL-DAMMAM
Second semester 2011-2012
Revision test – 1
Lesson Name: Multiplication by two digit number & Division

Name: ………………………………….   Grade III Sec: ………

Date: …………………………

I. **Fill in the blanks:**
   1) _____ is a process of repeated subtraction.
   2) The answer of multiplication is called -----------------------.
   3) The number to be divided is called the---------------------
   4) 6 x 4 = 24, the numbers 6 and 4 are called _____ of 24.
   5) Dividend = ----------------- × -----------------. (if remainder is zero)
   6) _____ is the short form of repeated addition.
   7) 72 ÷ 8 = 9 , dividend is _____ .

II. **Multiply:**

   a)   2 4 1 6   b)   3 8 9

           ×   4 1   ×   5 2
   _____   _____

   _____   _____
   _____   _____

III. **Divide and write the Quotient and Remainder:**
      a. 3052 ÷ 7   b. 5 2 4 8 ÷ 10

Q = _____ R= _____   Q = _____ R= _____
