Journey With Johnny

Cut apart the cards below.
Read the clues.
Glue each card in place.

Clues

- The rocks are west of the apple trees.
- The rocks are south of the pumpkins.
- The apple trees are west of the farm.
- The cave is south of the rocks.
- The cabin is east of the cave and west of the pine trees.
- The mountains are north of the farm and east of the fence.

Bonus Box: Johnny Applesseed planted apple trees as he traveled. Draw a second group of apple trees north of the rocks. Draw a third group of apple trees south of the mountains.

Using the clues...

A row of eight cards, each with a dashed border and a label on the left side. From left to right, the cards are:

- CAVE**: A simple line drawing of a cave entrance.
- ROCKS**: A cluster of several irregularly shaped rocks.
- APPLE TREES**: Three stylized apple trees with round canopies.
- ROCKS**: A cluster of several irregularly shaped rocks.
- ROCKS**: A cluster of several irregularly shaped rocks.
- CAVE**: A simple line drawing of a cave entrance.
- ROCKS**: A cluster of several irregularly shaped rocks.
- PINE TREES**: A cluster of several stylized pine trees.
