

Do all your students know these basic expressions? If not, please teach them now so they really **know** a bit more than what is in the book.

Expressions	We already know	We don't know I need to teach them
Thank you!		
Sorry please!		
Excuse me!		
Excuse me (moving through)		
Excuse me!		
I don't know!		
I don't understand!		
Can you please repeat that please?		
Yes I can!		
Can you say it again?		
Yes!		
No!		
What does... mean?		
How do you say...?		
How do you say... in the world?		
Why do you say that?		
Can you please help me?
