

My teeth are getting bad. What should I do?	Use toothpaste every time you brush your teeth.
Should I use deodorant right after exercising?	No, you should take a shower first, then use deodorant.
I don't know how to use cleansing milk. Please advise me.	Put some on your face. Leave it for about two minutes. Then you should clean your face with a tissue.
I worked outside all day and I got sunburnt. What should I do?	Use a sunscreen in all seasons if you work outside.
My hands are very dirty. What should I do?	You should always put hand cream on after washing your hands.
