

## The Great Kapok Tree

- 1) Why did all the national animals get quiet?
  - a) They were hungry
  - b) They were scared
  - c) They wanted to see why they had come
- 2) Why did the man fall asleep under the Kapok Tree?
  - a) He was hot
  - b) He was tired from chopping
  - c) He was not
- 3) Why didn't the last contractor want the man to chop the tree?
  - a) He was hiding in it
  - b) There was food inside
  - c) It was his home where many other animals had lived
- 4) Why was the tree important to the bear?
  - a) He went from house to house
  - b) His home was inside
  - c) His brother lived there
- 5) The monkey said what would happen if the man chopped down the Kapok Tree?
  - a) He said that the tree would be nothing to hold the earth together
  - b) He would not have any vines to swing on
  - c) He would not have any bugs to eat
- 6) What did the lion and his friends worry about?
  - a) That they would not have any food to eat
  - b) That it will be too noisy
  - c) That people would cut trees and there would be no forest left
- 7) Why did the small fish boy say, "You will have many of us here soon."?
  - a) Because many animals will come to New York
  - b) Because many animals will not have a home
  - c) Because many animals will die and there will be no room of them.
