

Setting Boundaries

What IS A BOUNDARY?

A boundary is an invisible "barrier" between you and other people - limits beyond which you will not go and beyond which others are not welcome.

It is healthy to have a good sense of where your feelings and opinions start and stop, and where the other person's feelings and opinions start and stop.

It is especially important to know how to set boundaries with "difficult" people -- particularly with those individuals who are critical, controlling, manipulative, demanding or aggressive.
