7th Grade Science Portfolio Requirements/Checklist/Grading Sheet

For your 7th Grade Science Portfolio you will need to include the following in a Manila folder (Please do not include a Binder or other fancy holder). Include all graded rubrics for each assignment.

1. **This Paper Attached to the Top** _____
2. **Neat Title Page (5 pts)** _____
3. **Completed 13 Reflection Questions typed or neatly written as an Essay. (20 pts)(10 completion + 10 neatness)** _____
4. **Table of Contents (5 pts.)** _____
5. **x3 Quizzes or Tests (15 pts.)** _____
6. **x2 Lab Reports (10 pts.)** _____
(Popper, Whirlybird, Yeast Lab, Hand Adaptation, Bird Beak)
7. **x1 Project (5 pts.)** _____
(if your projects are too big to include you may take a picture of your project and include it with your Rubric score)(Create A Creature Project, Cell Analogy Project, Life Characteristics Book, Geologic Timeline)

The Final Draft of your Portfolio is due in class on **Monday June 1st**. If you turn it in to me by Friday May 29th you will receive 10 extra credit points. If you are presenting one of the items in your Portfolio **DO NOT TURN THAT SPECIFIC Project or Lab Report IN TO ME!!!!** Just show it to me as you turn in your Portfolio. Watch as I check it off on your Checklist.

60 possible Points

Things I can Present in my Presentation from Science Class:
Whirlybird Lab, Popper Lab, Life Characteristic Book, Yeast Lab, Cell Analogy Project, Bird Beak Lab, Create A Creature, Hand Adaptation Lab, Geologic Timeline.
