LETTER OF RECOMMENDATION

Dear To Whom It May Concern:

William Thomas, MD, MBA, CHFP
Administrator

Pediway Medical Group, one of Western North Carolina's largest independent primary care medical practices, wholeheartedly wishes to endorse Chase Bank, Inc. My former Assistant to staff have faithfully provided personal and high maintenance services for our multiple locations for a number of years. The professionalism and quality of the work that Chase Bank provides is always respectful and impressive in either verbal form or in the industry. The Chase Bank staff have always acted ethically and professionally in their dealings with our organization. Furthermore, as a medical practice, patient confidentiality is of paramount concern. Chase Bank faithfully maintained a high degree of confidentiality, even in unapproved situations.

Once again, Pediway Medical Group would like to recommend William Adell and Chase Bank, Inc. for business (financial) services. If you have any questions or comments, please feel free to contact me at your convenience.

Sincerely,

William Thomas, MD, MBA, CHFP
Administrator
