Teacher: *Babi Kenchuashvili*

Grade: 5 *beginner level*

Curriculum connection: *01, objective 1.23; 1.25 (Beginner)*

Topic: *Jobs*

Objective:

- *Students will be able to speak about the jobs taught in the lesson (teacher, zookeeper, driver, nurse, police officer)*

- *They will be able to say what they want to be and why using the connector "because".*

Language used: *present simple 3rd person 's', 'wh' questions about jobs.*

Materials needed: *projector, slides showing professions and job places, a set of gapped sentences, a song with deleted words to fill in.*

Procedure:

Pre- activity:

- Warmer: I spy…
- Check the homework
- Revise some of the vocabulary previously learned (teacher, teach, doctor, help, sick people, driver, drive)

While-activity:

- Teach some new vocabulary using PP.
    - Police officer   catches criminals
    - Zookeeper   looks after animals
    - Pilot   flies planes
    - Chef   cooks in a restaurants
    - Nurse   looks after sick people

- Make up sentences (put up on the board word cards with the newly taught vocabulary and ask students to make up three to four sentences in pairs).
    E.g. A doctor helps sick people.
