## Linking Verbs

**Directions:** A linking verb joins the subject and the predicate of a sentence. Sometimes, verbs that are usually action verbs are used as linking verbs. Circle the linking verb in each sentence.

1. Chantell and Floyd are very excited about the play.
2. Our new diesel train is arriving at the station tomorrow.
3. Three parrot fish were happy and content in the tank.
4. The turkey soup mom made looked delicious.
5. My just waxed car appeared to shimmer in the moonlight.
6. The beautiful red rose smelled sweet.
7. Callope, the new student, was happy to meet new friends.
8. Our elementary school became the first to win the prize.
9. Your new teddy bear feels soft and cuddly.
10. My hunger grows as I smell the scents from the kitchen.

**Directions:** Write the ten linking verbs that you circled.
