## Abstract Nouns

Abstract nouns name a thought, idea, or emotion.

Examples:

The man was courageous. - "Courageous" is an abstract noun because you can't touch it.

The Juliet fell in love with Romeo. - "Love" is an abstract noun because it is an emotion.

Directions: Underline the concrete noun once in the sentences below.

1. The team was filled with the hope.
2. She showed her devotion to the kids.
3. Justice will be served.
