**AMERICAN CIVIL WAR**

The American Civil War, which started in 1861, **[1]** \_\_\_\_\_ the people of the United States and took more American lives than any other war in history. The **[2]** \_\_\_\_\_ goals of Abraham Lincoln is feelings of **[3]** \_\_\_\_\_ and **[4]** \_\_\_\_\_ that resulted in just war being. This war is also called The War of **[5]** \_\_\_\_\_. The War of Independence, but otherwise it is called, it was a great turning point in American History. It **[6]** \_\_\_\_\_ the southern **[7]** \_\_\_\_\_ that depended on slavery **[8]** \_\_\_\_\_ in the cotton and tobacco fields.

Across the **[9]** \_\_\_\_\_ lines was not the best reason of the war, which resulted principally from the economic **[10]** \_\_\_\_\_ between the industrial **[11]** \_\_\_\_\_ and the agricultural **[12]** \_\_\_\_\_. The major economic groups in the North wanted better **[13]** \_\_\_\_\_ for all their manufacturers, the businessmen for farmers and workers, and central banking for merchants and business. The South **[14]** \_\_\_\_\_ these demands. The result of these contrasts was a bitter war, which ended in **[15]** \_\_\_\_\_ after about one million men had been killed or wounded.
