# Inflectional Endings

Directions: Read each action word. Write the new endings for each word.

NOTE: When a verb ends in -ing, it means that the action is happening now.  
When a verb ends with ed, it means that the action has already happened.

Ex. Verb: jump      Happening now: The cat is jumping      Happened in the past: The cat jumped.

- |     |       |       |       |
|-----|-------|-------|-------|
