

WHICH WAY?

Use the circle graphs to complete the charts.

14 Bears

Bear Type	Number of Bears	Fraction	Decimal
brown	2	$\frac{2}{14}$ or $\frac{1}{7}$	0.125
grizzly			
black			
polar			

24 Big Cats

Cat Type	Number of Cats	Fraction	Decimal
leopard			
tiger			
lion			
jaguar			
cheetah			

30 Primates

Primate Type	Number of Primates	Fraction	Decimal
chimpanzee			
gorilla			
gibbon			
baboon			
howler			

Example: Make a chart like the ones shown for 10 birds: 2 robins, 3 parrots, and 5 toucans. Then draw a circle graph.
