

LESSON 13 Colors

The Garden Color Wheel

Red fruits and vegetables like your color make you healthy by helping you live longer, stronger, and more energetic.

Orange and yellow fruits like your color because they help you feel happy, healthy, and energetic.

Green fruits and vegetables like your color because they help you feel calm, peaceful, and relaxed.

Blue and purple fruits like your color because they help you feel calm, peaceful, and relaxed.

White fruits and vegetables like your color because they help you feel calm, peaceful, and relaxed.
