

Space Math Worksheet

Space Alien Subtraction

Name _____

A cartoon space alien with large eyes and a wide mouth is holding a large rectangular sign. The sign contains three subtraction problems using stars. The first problem shows three solid black stars minus one hollow white star equals an equals sign. The second problem shows seven solid black stars minus two hollow white stars equals an equals sign. The third problem shows ten solid black stars minus four hollow white stars equals an equals sign.

3 stars - 1 star =

7 stars - 2 stars =

10 stars - 4 stars =
