

A Weekend In The Woods

It is Saturday morning, and Roy and Roy are hiking in the woods. All the winter snow has melted. The trees are green and the flowers are starting to bloom. Suddenly Roy spots a stream. As the two friends walk toward it, they hear a loud creak. Then from up in the trees they hear a foot.

"I'm tired," says Roy. "Let's stop and fish for awhile."

Roy shakes his head. "I don't think that's a good idea," he replies. "Look at the sky."

When Roy looks at the sky, he shouts, "Oh no! We need to pitch our tent!"

The two friends quickly find a spot for their tent. Then they drop their gear and get busy. As they work, they hear the sky rumbling! Will they get the tent up in time?
