### Identifying Numbers Adjectives Worksheet

An adjective is a word that describes a noun or pronoun.  
Examples: happy, sad, tall, old, small, big....

Directions: Circle the number adjectives in each sentence.  
Then write the adjective three times on the line provided.

*Example A- I have five members in my family.*

*Adjective- five, five, five*

1. Did you bring at least two water bottles?

_____	_____	_____
-----	-----	-----
_____	_____	_____

2. The five apples were sitting on the counter.

_____	_____	_____
-----	-----	-----
_____	_____	_____

3. There are three alligators in the marsh.

_____	_____	_____
-----	-----	-----
_____	_____	_____
