

Take That! Patience Again

Just have a little patience

I'm still feeling from a time I had,
The feelings were beautiful,
Then maybe all the pain will stop,
Just hold me close (maybe you never thought,
about the way I feel on my shoulders)

(Chorus)

Cause I need love,
My heart is ready for the feeling,
The whole I'm still feeling,
Just try, and have a little patience,

I really realize that you again,
I know you gonna be my salvation,
The way that I can always depend,

It's my life that always, I believe in,
I'm living in the moment,
It's complicated but wonderful my,

Cause I need love,
My heart is ready for the feeling,
The whole I'm still feeling,
Just try, and have a little patience,

Yeah, have a little patience, Yeah

Cause the more you let sleep,
The more I feel,
Just I know the feeling in my,

have a little patience,
have a little patience,

Yeah, Cause I, I just need love,
My heart is ready for the feeling,
The whole I'm still feeling,
Just try, and have a little patience,

have a little patience,
My heart is ready for the feeling,
The whole I'm still feeling,
Just try, and have a little... patience
