

INFERENCE T-CHART

Event - What happened	Inference - What I learned
"That's my uncle and they painted it pink!"	Peter felt angry.
"Let's run away, little . . ."	Peter felt like no one cared about him.
His mother came to the window and called, "Won't you come back to us, Peter dear? We have something very special for lunch!"	
"Daddy," said Peter, "let's paint the little child pink for Jesus!"
