- snake

Why Mosquitoes Buzz in People's Ears

Project

Five rounded rectangular boxes for writing, each containing a large empty oval on the left and a small black dot on the right. The boxes are arranged vertically.

The _____
sees the rabbit
running and
spreads the alarm.

The _____
puts sticks in his
ears.

_____ is so upset she will
not wake the sun.

The _____
leaves her home
and runs for her
life.
