

## Second Grade Spelling List

Our spelling list will consist of words from our Harcourt Brace reading series. The first ten words are words with the same phonic sound. Eleven and twelve are two review words from the previous week. The last three words are second grade sight words. The children will be exposed to the **spelling** words in class and will be doing learning exercises with them. Please review the weekly words with your child to make sure they are ready for their weekly **spelling** test on Friday. Thank you!
