

Sixth-grade essay - 60 National Day National Day parade parade impressions

sixth-grade writing National Day parade

Today is October 1, is our great motherland 60th birthday . I always remember to October 1 every day watching live CCTV, browse the 60th anniversary of National Day of the press. Early in the morning, I sat in front of the TV waiting for the beginning of the parade live.

at 10 am, parade officially began. The first is a flag-raising, then Chinese President Hu Jintao review the armed forces, and made a speech. The official parade started, the parade made up of 56 teams and tier square, which square foot of 14 teams, 30 teams equipped with side air echelon 12. Each side into the team are people excited. In addition, the Chinese forces, including armed forces honor guard ceremony, salute team, flag escort, model team, military band concentrated appearance. Is 100 000 people followed the procession in turn composed of 36 squares admission.

3 hour-long parade, I really felt a strong defense of the motherland, at the same time felt as a Chinese national pride. I deeply feel that a 60-year long road, one attached ravaged, poor and weak, undone in China, an attached under the sun in the reform and opening up energy projection, trot forward to prosperity China.

The People's Republic of China since its establishment, a total of over 13 National Day military parade, the purpose is to demonstrate the results of military construction, and enhance national confidence, showing achievements armed forces, establish national confidence and pride, shows enhanced the prestige of military Wei and the people, the whole army is the best of my praise. It would appear that in 2009 the 60th anniversary of National Day National Day parade is the imperative! The 60th anniversary of National Day military parade, that the National Day military parade in 2009, following Deng Xiaoping Hu Jintao, Jiang Zemin, the Chairman of the Central Military Commission Hu Jintao took office after the first and the first National Day military parade. 2009 National Day reading consists of two parts: first parade, the parade by troops from the subject to read the queue for review prior to adoption; second-past, that is, by the reading unit through the parade from the reviewing stand, accepting parade's review. 60th anniversary of National Day parade, this is the first time in the new century, large-scale National Day parade, China's rapid economic development, some Western countries jealous pointing to China and interfere in national unity, independence, Tibetan separatist furious; week led invasion of neighboring country rights. China should be given to fight back. 2009, the National Day parade is a good show to foreign separatist forces the opportunity of its own power and stage, the army in peace times Even though I did a special merit, but in snowstorms, the Sichuan earthquake showed the military character. Olympic and national army to keep the peace, should be commended. Going forward, the people's army will be Megatron in the world, Yao Wei of China.

country walk today, we experienced a number of difficult journey! Who can forget the tragic of the Sino-Japanese War? Who can forget the Summer Palace lit the sky fire? Who can forget the Nanjing Massacre that shocked the world? Who can forget
