

Take a Walk

Read each problem. Write the answer in the matching numbered box on the map. Then answer the questions below.

The map features a grid of eight boxes on the left, each containing a circled number from 1 to 8. To the right of the grid is a larger map area titled "Lake Russell Hiking Trails". This area contains several rows of symbols representing different trail features: a row of trees, a row of vertical lines representing a fence, a row of rectangular boxes representing a parking lot, and a winding path that loops around a lake. A signpost on the path points to a building labeled "Visitor Center".

1. What is the total length of North and South Hike trails? _____
2. How far would you walk if you took a loop that starts from the parking lot and back? _____
3. What is the combined length of abandoned trail and ultra loop? _____
4. How far would you walk if you took a loop that went around the lake? _____
