

# Take a Walk

Read each problem. Write the answer in the matching numbered box on the map. Then answer the questions below.

The map features a grid of 8 boxes on the left, each containing a circled number from 1 to 8. To the right of the grid is a scale bar with markings for 0, 100, 200, and 300 feet. Further right is a north arrow and a winding trail. At the bottom of the map, a boy and a girl are standing, looking at the map.

1. What is the total length of North and South Hike trails? \_\_\_\_\_
10. How far would you walk if you took a loop that went from the parking lot and back? \_\_\_\_\_
11. What is the combined length of abandoned trail and rife loop? \_\_\_\_\_
12. How far would you walk if you took a loop that went around the lake? \_\_\_\_\_
