Look at words in the frames. Write 4 words that rhyme with it in the boxes.

The worksheet contains four decorative frames, each with a scalloped, dashed border. Each frame has a word at the top and a 2x2 grid of boxes below it for writing. The words are: 'at' (top-left), 'side' (top-right), 'eat' (bottom-left), and 'all' (bottom-right). In the center of the page, between the four frames, is a small cartoon cat sitting on a small stool.
