Dear Ms. Gregoire:

I am writing to request the reimbursement of \$150,145.76, which is the amount that represents the fees paid for building permits obtained for construction projects (in calendar year 2005) undertaken as part of The Ottawa Hospital's 10 year Capital Development Program at the Civic, General and Riverside Campuses. Attached is a chart outlining the fees paid by project.

The Ottawa Hospital appreciates the support from the City of Ottawa and looks forward to working with City officials through the implementation of our capital projects and redevelopment of the campuses at The Ottawa Hospital.

Sincerely,

Cameron Love
