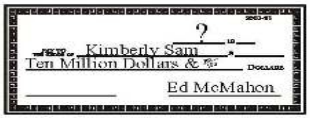
(Day #1)



A. Kimberly's birthday is on June 17th. If she wins the *Publisher's Clearing House Sweepstakes*, Ed McMahon might hand her a check for ten million dollars 32 days after her birthday. On which date might she receive the check?

Look at the Holidays & Observances III information:

B. Boy Scout Troop #243 marches in the town parade every Labor Day. If they start practicing their steps on August 12th and work until the day prior to Labor Day, how many days did they practice marching?

Look at the Regional Map of the United States:

C. Name a region of the United States that contains at least one state that observes JFK Day.
