

### Introduction

#### Objectives

- Students will learn the words that make up contractions.
- Students will be able to pronounce each word that makes up a contraction.

#### Materials

- Or teacher knowledge and skills
- Highlighters, markers

#### Activities

- Students will get copies of contractions and they will be able to identify each contraction.
- Students will then pronounce them. They will use highlighters and markers to mark each word.
- Students will have to identify the contractions and write the words that they are made of.
