Jill, Kyle, Lauren, Miles, Nora, and Owen rode the roller coaster. Read the clues and write each child's name in the correct car.

- Two girls sat in the front car.
- Owen and Lauren did not sit in the middle car.
- Kyle sat behind a boy. No one sat behind Kyle.
- Jill did not sit in the same car as Lauren or Nora.
- Lauren and Miles each sat in the back seat of their cars.

The story below is full of spoonerisms (2-word phrases in which the first letters of the words are switched). When you see one, write the correct words above it.

Mike and Julie went to the carnival. First, they rode the <sup>roller coaster</sup>~~coiler-roaster~~.

Next, they got dot hogs and cow snones. After lunch, they went on the cumper bars, and then Julie won a beddy tear by knocking down bilk mottles with a bubber rall. When they were on the wherris Feel, they could see Hike's mouse. Mike and Julie had a dice nay at the carnival.
