

# EARTH DAY

## Across

1. One of nine things circling the sun
5. Blowing air
6. Planting these helps create CO<sub>2</sub>
9. What to do with leftover food

## Down

2. Where our garbage goes
3. What we need to protect
4. We study Earth from the sky in these
7. What to do with bottles & cans
8. Part of our atmosphere
