

Social Responsibility Activity: Casino

Communication, responding appropriately and who to inform about incidents or situations related to social responsibility.

In the following scenarios, what would you do?

- 1) A customer approaches you at an empty table and tells you he's not paid the rent this month because he lost it gambling. He says he's stressed out and feels he's spending too much time in the casino.

a)	What is the appropriate way to respond?
b)	Where could he find help in the casino?
c)	Who would you tell?
d)	What should you NOT say?
