Model	Technological Capability	
	Value	Significance
Constant	.635	.000
	Coefficient	Significance
Develop new processes	.191	.026
Select the best equipment supplier	.223	.002
Sell internally-developed new technology to third parties	.271	.000
Design and manufacture equipment	.252	.000
Study the work methods and perform inventory control	.185	.016
Improve the product quality	.162	.024
R^2	.650	
	Value	Significance
F Test	32.833	.000
