Know	Understand	Be Able To Do
(Facts, Names, Dates, Information) Students should know...	(Concepts, Principles, Generalizations) <i>Students should understand that...</i>	Skills – written as a verb Students should be able to...
rhythm rhyme metaphor simile meter elegy end rhyme couplet internal rhyme exact rhyme approximate rhyme free verse alliteration assonance onomatopoeia ballad epic narrative poem lyric poem sonnet summary critical detail extended metaphor refrain	Poems take many forms. Poets use figurative language to convey their ideas. Tone and meaning are conveyed in poetry through figurative language, repetition, word choice and rhythm. Knowing the form of a poem can help the reader figure out its meaning.	Analyze elements of poetry. Use specific strategies to read and analyze a poem. Analyze summaries by comparing the original text with the summary. Use a poem's form to find its meaning. Compare and contrast poems. Analyze the summary of an informational text.
