

TeachingMadeEasier.com's The Lorax and Earth Day – Student Projects

Supports CCSS:

Reading Comprehension, Research, Writing, Compare & Contrast, and Cause & Effect.

PROJECTS:

Logical arguments based on claims, solid reasoning & relevance. Evaluate and present complex information, ideas and evidence.

Instruct students to do a project based on their interests, such as:

- Oral Presentation
- Written paper or blog
- Podcast
- Video

Provide TeachingMadeEasier.com's Project 'Time and Task Management Chart' to manage project tasks. For oral presentations, give students Oral Presentation Note Cards.
