

8:00- Switch classes with Mrs. Rivera (right next door)

8:00-9:15 **MATH**- Look in the Sub Tub for the math activities. Read a math book to the class, and choose an activity for the students to work on. You can do as many of these as needed while you are here. Give students directions before asking them to get started. Pick up work and leave on my table.

At 9:00- [REDACTED] go to the Learning Lab
On Tuesdays/Thursdays, [REDACTED] goes to Speech- she will come
pick him up
[REDACTED] leaves the Learning Lab and goes to Mrs. Carter at 9:30.
She will be back in the room at 10:00.

9:15-9:25 **SNACKS**- allow students to get their snacks out of the snack bin and eat while reading a book at their desk. If a student did not bring a snack, they should just read at their desk.

9:15-10:30 **LANGUAGE ARTS**- Choose a book from the Reading section of my Sub Tub. Read the story to the class and complete an activity that is in the Reading section (allow students to work in partners). For English, choose an activity from the English section for the students to complete. Pick up work and leave on my table.
