

### Asset Inventory List

| Equipment | Asset/ID No. | Serial No. | Location | Total Value |
|-----------|--------------|------------|----------|-------------|
|           |              |            |          |             |
|           |              |            |          |             |
|           |              |            |          |             |

| Management Equipment | Asset/ID No. | Serial No. | Location | Total Value |
|----------------------|--------------|------------|----------|-------------|
|                      |              |            |          |             |
|                      |              |            |          |             |
|                      |              |            |          |             |

| Inventory | Asset/ID No. | Serial No. | Location | Total Value |
|-----------|--------------|------------|----------|-------------|
|           |              |            |          |             |
|           |              |            |          |             |
|           |              |            |          |             |

| Management Equipment | Asset/ID No. | Serial No. | Location | Total Value |
|----------------------|--------------|------------|----------|-------------|
|                      |              |            |          |             |
|                      |              |            |          |             |
|                      |              |            |          |             |

| Inventory | Asset/ID No. | Serial No. | Location | Total Value |
|-----------|--------------|------------|----------|-------------|
|           |              |            |          |             |
|           |              |            |          |             |
|           |              |            |          |             |

| Inventory | Asset/ID No. | Serial No. | Location | Total Value |
|-----------|--------------|------------|----------|-------------|
|           |              |            |          |             |
|           |              |            |          |             |
|           |              |            |          |             |

| Management Equipment | Asset/ID No. | Serial No. | Location | Total Value |
|----------------------|--------------|------------|----------|-------------|
|                      |              |            |          |             |
|                      |              |            |          |             |
|                      |              |            |          |             |

| Inventory | Asset/ID No. | Serial No. | Location | Total Value |
|-----------|--------------|------------|----------|-------------|
|           |              |            |          |             |
|           |              |            |          |             |
|           |              |            |          |             |
