

Adjectives Quiz

Which questions does an adjective answer? Circle all that apply.

How much?

What?

When?

What kind?

To what extent?

How many?

Which one?

In what way?

#1: Underline the adjective in each sentence (not counting articles or pronouns). There may be more than one in a sentence. **#2 THEN:** Draw an arrow from the adjective to the word it modifies.

Cats are the best pets.

Well-meaning pet owners often prefer their favorite animal.

Dogs need daily long walks.

I have three large cats.

Write a sentence with a noun used as an adjective.

Write a sentence with a proper adjective.

Write a sentence with a compound adjective.

Is the article in definite or indefinite in each sentence?

Monkeys can see far a long distance.

Sheffield likes to eat the leaves off trees.

An elephant never forgets!

Label each adjective possessive, demonstrative, interrogative or indefinite.

Which cat is yours?

I think that one there.

Some dogs are friendly.

Our houses full of animals and food
