

GRADE 3 STUDENT RECORD SHEET FOR SHORT ANSWER/MULTIPLE CHOICE ASSESSMENTS

Student Name _____

Directions and Recommendations: Keep a copy of this sheet for each student. Assess two weeks before the end of each trimester. Please note that areas a student has reached mastery (4) with a given standard, that standard no longer needs to be assessed. Also, you may need to retest standard from previous trimester for mastery.

		Number of Items	1 st Trimester	2 nd Trimester	3 rd Trimester
Mathematical Reasoning					
2.1	Uses estimation skills to verify the reasonableness of answers	5			
2.2	Applies strategies, skills, and concepts from simpler problems to complex problems	4			
2.3	Uses pictures, models, graphs, and charts to solve problems	4			
Number Sense					
1.1	Counts, reads, and writes numbers to 10,000 ▪ Numbers read out loud 1. 809 2. 8,926 3. 17,036 4. 58,008 5. 96,193 ▪ Counting ▪ Writing				
		5			
		4			
		8			
1.2,1.3	Compares, orders, identifies value of numbers	7			
1.5	Uses expanded notation to represent number	5			
2.1	Adds and subtracts whole numbers to 10,000	5			
2.2	Memorizes multiplication tables 0 - 10 0's _____ 1's _____ 2's _____ 3's _____ 4's _____ 5's _____ 6's _____ 7's _____ 8's _____ 9's _____ 10's _____				
2.3	Use the inverse relationship of mult. & div.	5			
2.4,2.5	Multiplies and divides multi-digit by one digit	5			
3.1,3.2	Compares, adds, subtracts simple fractions	5			
3.3	Solve problems involving money with decimals	5			
Algebra and Functions					
1.1	Represents relationships of quantities using expressions, equations, inequalities	6			
2.1	Solves simple problems involving the relationship between two quantities	5			
Measurement and Geometry					
1.1	Chooses appropriate units/tools and measures length, liquid volume, and weight	5			
1.2,1.3	Estimates and finds the perimeter and area	6			
2.0	Identifies attributes of plane and solid figures	15			
Statistics, Data Analysis, and Probability					
1.2	Identifies whether common events are certain, likely, unlikely, and improbable	5			
1.2,1.3	Records, displays, and summarizes results from simple probability experiments	5
