

Can you complete the missing numbers? Don't you feel excited by solving all these problems in order? Some numbers are missing. Can you find them? They are for you to solve. Find the missing numbers. Find the missing numbers for each answer.

1. $\square \times \bigcirc = 9$

1. $\square \times \bigcirc = 9$

2. $\square \times \bigcirc = 45$

2. $\square \times \bigcirc = 45$

3. $\square \times \bigcirc = 72$

3. $\square \times \bigcirc = 72$

4. $\square \times \bigcirc = 18$

4. $\square \times \bigcirc = 18$

5. $\square \times \bigcirc = 36$

5. $\square \times \bigcirc = 36$

6. $\square \times \bigcirc = 27$

6. $\square \times \bigcirc = 27$

7. $\square \times \bigcirc = 63$

7. $\square \times \bigcirc = 63$

8. $\square \times \bigcirc = 90$

8. $\square \times \bigcirc = 90$

9. $\square \times \bigcirc = 54$

9. $\square \times \bigcirc = 54$
