

Parts of Speech Activity Divide class into 3 groups (of 2, 3, 4, 5 students...) Each group is given 4 words: Nouns, Verbs, Adjectives, Adverbs or Prepositions. Print and cut up the 30 words below, mix in a hat and give each group 4 words. They pass the words with other groups until they have only 1 word (or whatever their group is supposed to collect).

Options:

1. Each group writes their 4 words on a sheet of paper. Pass the paper to the group to their right. Now on the paper they have they are to write different forms of the word and what parts of speech they are. (Eg. weathered adjective)
2. Pass the paper to the right. Now on the paper they have they are to write a sentence with each word...

Dictionary use is optional, depending on the class.
