Our School Program will

What if my self-inspection worksheets are late?

If you are having difficulty completing your self-inspections by the deadline, contact the School Program at 324-1560, ext. 4, before the deadline to discuss the circumstances. A late fee of \$90.00 will be charged after February 13, 2009. We will not conduct inspections at schools whose worksheets have not been received by March 27, 2009.

Do I need to complete and return the milk cooler form?

If you have received a School Milk Case Permit for your school's milk cooler and you are conducting a self-inspection, you must complete and return the milk cooler form to the School Program at 324-1560, ext. 4, before the deadline.
