

BEE ALPHABET!

1. Write the missing letters in the honeycomb!

2. Colour the picture. Colour all round parts yellow and all straight parts black.

3. How many letters do you see? How many letters do you not see? Colour and write.

4. Look at the bees. What letters are straight lines? What is the honey pot?

5. Write down the letters in order. Letters G and H are missing.

6. Colour the dots in the picture and you will get a honey bee!
