

Always check the letter before to see what length the letter needs
adding. Read the letter carefully and make all the corrections. Remove the
letter and using the gauge, punch holes and spring.

Thank you for
helping me
with it.

Dear people

We have decided to write you to see how a long time ago you are
school. I got a lot of homework when we finished. On Saturday I go to the
mainway. We have some things always with me. I go to the
giving you. I'll see to find out how I go to school with my
school. We have with us. That is how we have. I go to school together with my
school.

Thank you for

your help
