

I have soothed

***Who has a word that means a straight line around which something rotates?

I have contemplated

Who has a word that means discouraged?

I have implore

Who has a word that means stiffly, daintily?

I have recede

Who has a word that means sad?

I have venture

Who has a word that means feeling extreme pain or sorrow?

I have fragrant

Who has a word that means without order or messy?

I have exist

Who has a word that means the process of thinking something through?

I have disheartened

Who has a word that means to beg?

I have grimly

Who has a word that means to move backward or withdraw?

I have rueful

Who has a word that means bold or risky act?

I have anguish

Who has a word that means sweet-smelling?

I have helter-skelter

Who has a word that means very large?
