

Fourth Grade – Mathematics Word List

acute angle	check	digit	expression	identify –
acute triangle	choose	digital clock	extra	identifies
addend	circle	dime		important
addition sentence	classify	dimensions	face	impossible
afternoon	clock	directions	fact family	improbable
agree	closest	distance	factor - factoring	improper fraction
algebraic	column	Distributive	Fahrenheit (^o F)	inch (in.) - inches
expression	comes next	Property	fairly likely	incorrect
almost	Commutative	divide	false	increase
already	Property	dividend	favorite	inequality
altogether	compare	divisible	fewer than	information
always	completely	division	fifteen	inside
amount	composite	divisor	fifth	integers
analyze	number	dollar sign (\$)	finite/infinite	intersecting lines
angle	concave	double bar graph	flipped	isosceles triangle
another	cone	doubles	foot (ft) feet	
answer	congruent	dozen	formulas	join
approximation	contents	duplicate	fourteen	
area	convex		fourth	kilogram (kg)
around	coordinate	each	fraction	kilometer (km)
arrange	coordinate plane	edge	fractional part	
array	corner	eight	gallon (gal)	label
Associative	correct	eighteen	gram (g)	largest
Property	cost	elapsed time	graph	least
attributes	count	elevation	greater than	least likely
average	cube	eleven	grid	length
axis - axes	cubic centimeter	else	group	less than
	cubic units	endpoint		lighter
bar graph	cup (c)	enough	half	lightest
behind	cylinder	equal	half inch	line graph
belongs		equal groups	half-dollar	line of symmetry
between	data	equal to	half-hour	line plot
both	decimal	equally likely	heads up - down	line segment
bought	decrease	equals sign	heavier	linear
build	equivalent	equation	heaviest	liquid
buy	decimal point (.)	equilateral	height	liter (L)
	decimeter (dm)	triangle	hexagon	locate
calculate	decrease	equivalent -	holds least	longer
capacity	degrees	equivalency	holds less	longest
Celsius (^o C)	degrees	equivalent	holds more	
cent - cents	denominator	fractions	holds most	many
center	describe	estimate	horizontal	mass
centimeter (cm)	determine	evaluate	hour	match
certain	diagram	even	hundreds	mean
chances	diameter	exactly	hundred-	measure
change	difference	expanded form	thousands	median
chart	different	explain	hundredths	medium
