

More Tricky Carves!
<p><b>What</b>            Both your car theme            and home            are identical.            Both will be here.</p>
<p><b>What</b>            I like the car theme            but I don't like            the home.</p>
<p><b>What</b>            They are the same theme            but I don't like the            car theme.</p>
