

BASIC HUMAN ANATOMY

A Distance Learning, Self-Pacing, 120-Hour, Certificated Introductory Course in Anatomy & Physiology

- **BASIC HUMAN ANATOMY** is designed especially for anyone studying Kinesiology, Massage, Aromatherapy, Bowen Technique, Shiatsu, Touch For Health, Aura-Soma, Reflexology or other involvement in bodywork. It brings fresh meaning to your studies in every modality.
- **BASIC HUMAN ANATOMY** offers you an **easy-to-learn introduction** to anatomy, which can be built on through more advanced courses. At the same time, it provides **accurate technical information** and terminology in a manner that makes it simple to grasp, even by people with **no medical knowledge** at all. It includes a generous amount of related **physiology** and **pathology**.
- You study **BASIC HUMAN ANATOMY** at home and **at your own rate**. Learning is by way of study material, activities and worksheets. There is **no textbook to purchase**, although we would encourage you to read as widely as you can to broaden your understanding. Depending on your learning speed and your background experience, you should allow up to **120 hours** of study time. This includes time for the **BASIC HUMAN ANATOMY** Certificate of Competency home assessment.
- **Start any time**. There is **no set timetable**. **No compulsory assignments**. Simply mail us your completed worksheets, one or two units at a time, with any queries you have, for prompt marking and helpful comment.

Learning units include:

Organisation & Orientation of the Human Body
Musculo-Skeletal System
Cardiovascular System
Digestive System
Integumentary System (the skin)
Urinary System
Lymphatic System
Respiratory System
Nervous System & Brain
Reproductive System
Special Senses - Smell & Taste, Vision, Hearing & Balance
Introduction to the Endocrine System

Learning units match and exceed NZQA Level 4 elements at numerous points.

The **Musculo-Skeletal System**, **Special Senses** and **Nervous System & Brain** units are particularly detailed.

Course Fee 2006 NZ\$300.00

Includes the Competency Assessment.
